From Winston-Salem and Western North Carolina

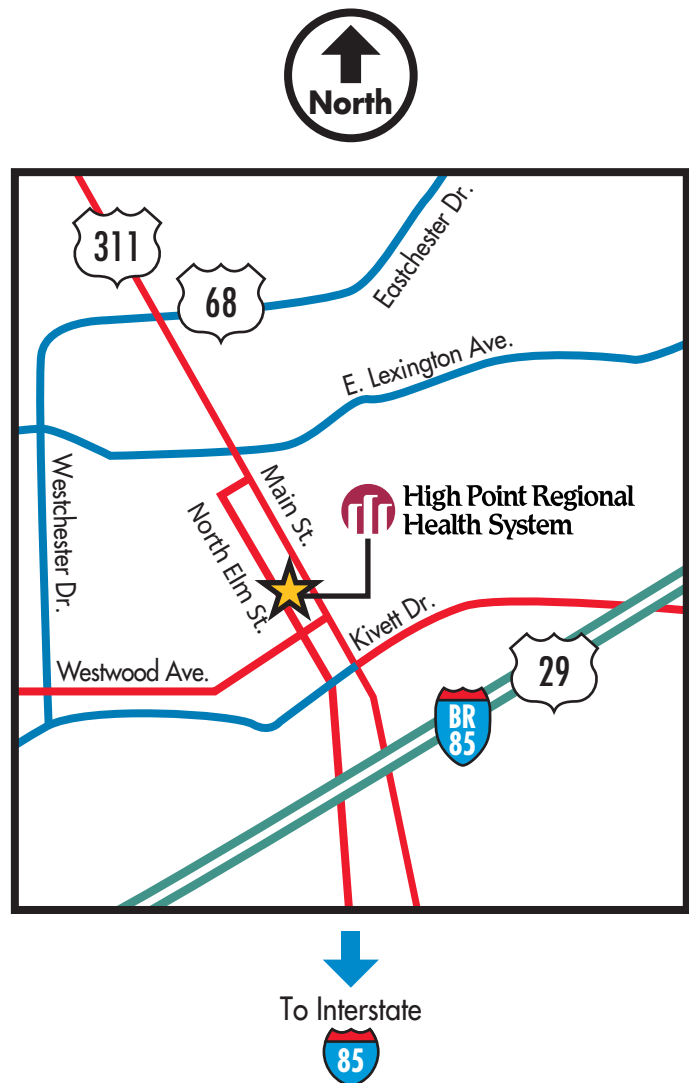

- Take I-40 East through Winston-Salem.
- Take the exit for Route 311 towards High Point.
- Follow 311 for approximately 10 miles and take the 311 Business/Main Street exit.
- Continue on Main Street through a series of stoplights – past Wal-Mart and through the intersections at Eastchester Dr. and Lexington Ave.
- At Westwood Avenue, turn right.
- The next stoplight is Elm Street. You can now see the Hospital on your right. Continue through the light at Elm Street and turn right onto the hospital campus. The Patient and Visitor Parking deck will be on your left.

From Charlotte and Southern North Carolina

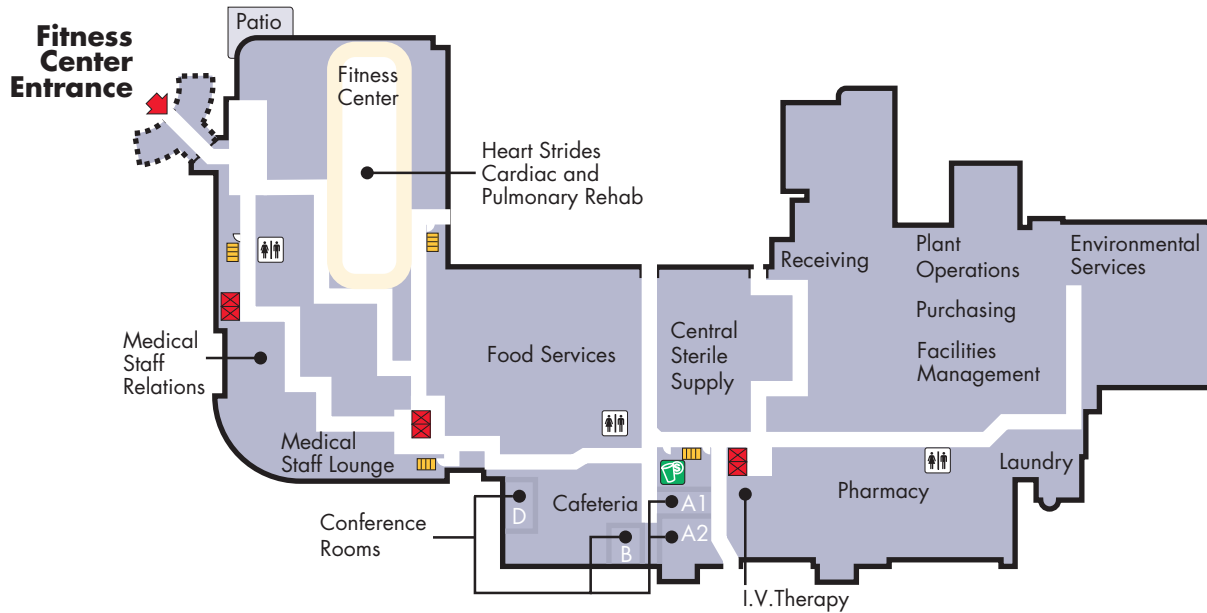

- Take I-85 North towards Greensboro.
- Take the exit for Route 311 towards High Point. Turn left onto 311 North.
- Follow Route 311 (Main Street) towards downtown High Point for several miles until you come to the intersection for Westwood Avenue. Turn Left onto Westwood.
- The next stoplight is Elm Street. You can now see the Hospital on your right. Continue through the light at Elm Street and turn right onto the hospital campus. The Patient and Visitor Parking Deck will be on your left.

Greensboro & Eastern North Carolina and Reidsville and Northern North Carolina

- From Greensboro and Eastern North Carolina, take I-40/85 into Greensboro and at the I-40/85 split, take I-85 South towards High Point. From Reidsville and Northern North Carolina, take US 29 South through Greensboro and take the exit for I-40 West/I-85 South.
- Take the exit for Business I-85 South and follow Business I-85 to the exit for Kivett Drive.
- Turn Right onto Kivett Drive and follow Kivett for several miles into downtown High Point.
- Turn Right onto Main Street (Route 311) and then left onto Westwood Avenue.
- The next stoplight is Elm Street. You can now see the Hospital on your right. Continue through the light at Elm Street and turn right onto the hospital campus. The Patient and Visitor Parking Deck will be on your left.
